**THE WORKERS COMPENSATION SERIES
PRESENTED BY
DAVID H. PARKER, ESQ.**

Navigating the world of California Workers' Compensation is a challenge. The constant changes in the law coupled with its own unique "language" makes this area of risk management and employment litigation one of the more confusing if not overwhelming barriers to a business or public entity's success. Join Mr. Parker over a series of 3 half-day classes and learn, in plain language, what California Workers' Compensation is all about.

These classes will be held at The Downtown Club on Kern Street in Fresno. Valet Parking will be available.

Call Mary Olvera For More Information.
